Advance intimation for Special General Meeting of the Sangha

Jai Ma to All,

This year Shree Shree Ma's *Avirbhavotsav (tithi puja)* is on the night of 26/27 May 2024. As is the tradition, *tithi puja* is followed by *Naam Yagna* starting same evening on Monday 27th May. The *naam yagna* will continue till Tuesday 28th May evening.

It is proposed that SGM, for consideration of the Constitutional Amendments, be held on the day following the completion of the *naam yagna* i.e. on Wednesday 29th May 2024. A second SGM for holding elections be held on Thursday 30th May 2024.

Fourteen Members of the Governing Body will be stepping down and these vacancies will have to filled from amongst the members who will be offering themselves for elections. One more member of the Governing Body will need to be elected in place of Sri Sachindra Singh, a member of the GB who has left for *Matrilok*.

This advance intimation is being sent to enable all devotees who are going to be in Kankhal for the *Avirbhavotsav* to kindly plan their return journey accordingly so that they can participate in the SGM. Those devotees who may not be attending Shree Ma's *Avirbhavotsav* in Kankhal, may also plan their travel to Kankhal to be present in Kankhal for these important meetings. I may point out that amendments to the constitution of the Shree Shree Anandamayee Sangha and elections of the most sincere & eligible devotees to the Governing Body to selflessly serve the Sangha is a matter of great significance and it is the bounden duty of all devotees to participate in these meetings as far as possible.

A formal notice will be circulated in due course.

Yours in the service of Shree Shree Ma,

Vinay Goenka
